The Evening World Prints Asso-

"L" ROAD VIOLENCE AGAIN. instance of violence on the part of Elevated Railway employees which took place at the uptown terminus of the Third story of the affair is strengthened by the undisputed fact that the The man whose humane next four years? promptings thus brought him to grief was elderly and unable to take an effective beaten so that two of his ribs were broken, structions. Address B. H., White House, and he was unable to appear in police court yesterday against the railroad emthe platform occurrence.

This affair comes very precipitately on time is close at hand. top of two decisions in the Court of Appeals, made early in the present week, by which the liability of the Elevated Railway Company for damages arising from the violent and abusive acts of its employees while on duty, is clearly established. Should this new case be pressed to successful issue in the courts by the two injured men, as it ought to he according to their of the trouble, the damages awarded should certainly be of the most exemplary proportions. Consideration for the public safety will demand this and the drain on the Company's treasury will teach the corporation a healthy lesson on the importance of seeing to it that their employees have proper discipline and proper self-control.

FOFT FEARTS AND EARD FOADS.

also have the training necessary for a sixday go-na-you-please walk.

when her parents objected to his presniless, and having nothing clase to do, on the vision of fishes. wasked all the way to Buffalo. There she went to the poor house and was finally furnished transportation to her home, where she now is.

light. Then there are high heels and bulging bunions that add to the awfulness of the ordeal. Altogether it is best for a girl to have a few penuics for an He grants about the coffee and he grambles at the
